SUBJECT: **STATUS REPORT – EXTENSION REQUEST FOR FIRE PROTECTION
DISTRICT BUDGET AND FINANCIAL POSITION REVIEW (Board
Agenda Item 45, September 4, 2012)**

On September 4, 2012, your Board instructed the Auditor-Controller (A-C), with assistance from the Chief Executive Office (CEO), to review the Fire Protection District's (Fire or District) financial position as of the close of Fiscal Year (FY) 2011-12. Your Board also instructed the CEO to work with the Fire Chief to prepare longer-term estimates of the Department's revenue and major expenditures.

We are in the process of validating the District's reported sources of revenue and expenditures, and comparing Fire's budget to actual financial performance for FY 2011-12. In addition, we are reviewing charges paid by the District's contract cities and unincorporated areas for Fire services.

The CEO will report to your Board separately on projected changes in revenue and significant future expenditures that could materially impact the District's financial condition, and prepare long-term estimates to provide the Board clarity regarding the District's future challenges.
